

# North Davis Preparatory Academy- K-4 Building

- This is the traffic flow for our drop off and pick up of students in the K-4 building.
- Please use caution and patience as students arrive and leave our campus!
- Please **drop off** students along the **Hill Field Rd.** curb area next to the school or along the north side of the elementary parking area as designated. Please do not encourage or let students walk through the parking lot or cross roads.
- Parking in the Cold Creek Recreation parking lot is only available on the north half of the facility **if** ours is full. *Please to allow homeowners to access their pool and play area and be graciously considerate as we move in and around their neighborhood.*
