### Science Fair

The Science Fair Is Coming! Explore the science behind the things you love to do! Got a question about how something works? Make a science fair project out of it, and show us all what you discover! For information and the registration form for our third annual Science Fair, see [www.northdavisprep.org](http://www.northdavisprep.org), or pick up a hard copy at the volunteer desk. Registration is due Feb 5th. The Science Fair itself will be March 6th. Contact Larisa Page for more information at 801-497-9387 or e-mail her at [risieroo@netscape.com](mailto:risieroo@netscape.com).

Parents and students,  
If you need another science fair registration form, you can print it from the schools website. On the home page go to news and events, Science Fair information is at the top. Click on the highlighted words-Science Fair Registration Form- and you will be able to print a copy.

### Attention: NDPA is offering a NEW after-school program!!!

We are excited to announce that Mad Science of Salt Lake is coming to NDPA for an exciting and educational after school science program!

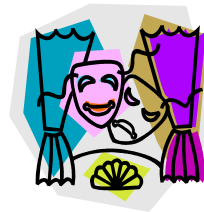

This spring Mad Science will be presenting "NASA – The Academy of Future Space Explorers". Subjects include Planets & Moons, Atmosphere and Beyond, Space Phenomena, Suns & Stars, Rocket Science, & Space Travel. Mad Science encourages

informal learning through "hands-on" experience. Each class offers professional instruction, take-home projects, impressive demonstrations, and hands-on activities. The classes are 60 minutes long and meet once a week immediately after school for **6 weeks** at NDPA.

Registration forms will be sent home Friday, January 11th. **Registration deadline is January 28th.**

Classes will be held on Monday's from 3:05 – 4:05pm beginning February 11<sup>th</sup>.

If you would like your children to participate, please return the completed registration form along with a \$58.00 check to the office. Please register early, space is limited. If you have any questions please contact Mad Science at (801) 292-8646. (submitted by Erinne Roundy)
