### TURN OFF YOUR TV WEEK

Did you know that April 22nd - April 28th is National Turn off Your TV Week? Start thinking about "Alternate activities" that you can do with your family for those days. Watch your Friday Notes next week for a fun incentive from Hungry Bear Pizza of Layton for not watching television for that week. Are you up for the challenge???

3 yards of fabric - \$14.99

4 paint brushes - \$12.49

Cleaning the stains out of your child's shirt - 1 hour  
Original Art from your child's class - PRICELESS!!!

Hopefully you have had a chance to see all of the art projects and the class baskets that are on display in the school foyer. If you have not yet seen the projects, you will be amazed when you see the talent of our NDPA students! The class baskets are also incredible - you will have to see them to believe them!

We have good news for those of you who forgot to buy your tickets. There are a few tickets still available, and we have extended our deadline to Monday, April 16th. Get your order in the POET box before all the tickets are gone. Remember parents, grandparents and friends are all welcome to this exciting evening of good food, great company, and fun shopping for a great cause!

The Art Auction is our biggest fundraiser of the year, and with your help, we hope to surpass last year's profit of \$8000. If you are still unsure if you want to come, just talk to anyone who came last year!

For questions, call Necia Wiggins at 593-1686.

### BOOK FAIR

Thank you to everyone for coming to our BOGO Free Book Fair -- your purchases helped our library earn over \$425 in books!! Thanks, also, to Larisa Page (chair), Margaret Young (scheduling everyone and set up), Ginger Schneidewende (for her willingness to stay late), April Fullmer, Kristy Nelson, and Dawn Vine - these 3 women packed everything up in a snap! Thanks, also, to A+ for offering such a great book fair and wonderful incentives. Look for the book fair during next fall's PTCs.

**CYNTHIA JOY HANSEN**

Mrs. Hansen is our courageous Kindergarten teacher and is a favorite among all the students here at N.D.P.A. She obtained her education at BYU and has 3 children and a wonderful husband. Mrs. Hansen’s favorite color is yellow and she likes to eat seafood. She informs us that her

favorite kind of pet is a dog and that her favorite kind of car is a Jeep. Her favorite school subject is Home Economics (especially sewing) and she loves to go to the ocean.

Mrs. Hansen’s favorite tradition is traveling to Canada to visit with family during Christmas and summer holidays and using her fun Canadian accent!

She informs us that she loves N.D.P.A. because she loves the children—“they are so excited to learn new things.” Something interesting about Mrs. Hansen is that she ran her own children’s musical theatre group business for 8 years. Her kids say she is COOL because she is a “FUN” mom, and if she could change the world she would think of ways to cut down on pollution, especially here in Utah!

**DEBORAH BROCENO**

Ms. Broceno is one of our fun first grade teachers! She comes to N.D.P.A. from Spain, where she attended college. She says her favorite color is pink, blue, black.....rainbow color!! Ms. Broceno enjoys Indian food and her favorite pet is her very own dog “Lia”. Her favorite school

subject is Math and she loves to go to Iceland! If she could, Ms. Broceno would ride a Harley, she says “that would be cool”.

In her spare time, Ms. Broceno enjoys reading, music, and making necklaces with beads. Something funny about her is that she likes to tease and is kind of silly sometimes and she is COOL because her first graders love her! Her life is interesting because she is a Spaniard who decided to work in another country, and she loves it here at our school because it is a comfortable, “feel good” place.

Ms. Broceno loves her family and says “they are the best”, and has just recently enjoyed a Springtime visit with them. If she could change the world, she would incorporate more dialogue into everyone’s life!
