summer and enjoy the company of all our wonderful families at NDPA. Friends and extended family are welcome, too. We have booked the Weber State Health and Human Performances Group to entertain us. What this means is we will be able to watch some exciting, professional Latin American dances (cha-cha, rumba, samba, etc.) performed just for us. This group is awesome!

We will have a final meeting May 9th at 5:30. We could still use help serving food and of course, everyone is invited to help with clean-up. We hope to see every family at the FIESTA. Questions: call Marie Wilder- 779-9323 or Kim Valeika - 546-4927
