### END OF LEVEL TESTING CONTINUES

Parents we want to make you aware that end of level testing is underway. These test will be over the next 2 week time period. Please help us out by avoiding unnecessary travel and appointments for your student to insure the best options on testing days. As always, students should arrive on time, well rested having had a healthy breakfast and with a positive attitude to do their best.

## AFTER SCHOOL CLUBS:

### ECO GEEKS ... GO GREEN! Together we can make the world a better place!

Eco-Geeks Earth Week activity was a huge success! Not only did we sell out of our reusable water bottles (which are still in demand) we managed to collect 4 extra large garbage bags of disposable water bottles. These bottles will be taken to the Davis County Recycling Center this week. The money we raised will go to pay for a deposit for a general recyclable dumpster next year which will recycle plastics, and aluminum cans. The Eco-Geeks want to say thank you to all our parents, faculty, staff, and especially students, who supported our efforts this year. Thanks and remember.....reduce, reuse and recycle. Earth Day is everyday!
