Know an authentic Drama King or Queen willing to help NDPA?

Under the direction of Mrs. Debbie Barrett, NDPA will soon start and after school Drama Club. Mrs. Barrett is looking for additional resources to make this an educational and fun experience.

Do you know of any local area venues which might allow the club to attend a free dress rehearsal, perhaps a backstage tour, or a guest speaker or presenter who could talk to the students about the varied areas of Theater Arts? We are looking for presentations in:

- Set design

- Make up and hair design
- Lightening and sound
- Production and Marketing
- Voice coaching
- Stage blocking
- Just to name a few.....

If you have any contacts at all who have resources or history in this area, you can contact Debbie Barrett @

ECO GEEKS CONTINUE TO HELP NDPA IN EFFORT TO REDUCE ILL EFFECTS ON THE EARTH PLANET!

The after school environmental club, **Eco-Geeks** will resume meeting following the “Winter Holiday Break.” Until then, the club continues to work to collect clean, or very gently used, paper and cardboard for recycling. There is a bin located in the lot of the K-4 building where families can contribute as well. All proceeds raised from this bin are donated back to the school. Parents, please support the efforts of the students in making our world a better place. Here is just a couple of additional projects planned for after Winter Break. 1. Participation in Utah’s Bald Eagle Day. 2. Assisting in Antelope Island’s Spring Clean-up. Plan to get active in the Eco Geeks when they resume meetings in January.

YOU TOO CAN HELP US SAVE OUR EARTH!

VIVA EL ESPANOL! SPANISH CLUB NEWS!

Don’t miss out next meeting scheduled for Monday, December 7th immediately following school. (3:20—4:10 PM) in Mrs. Esquivias’s room #213. SKATE BOARD CLUB

The Skate club is a co-ed afterschool activity for students to collaborate on Skate related activities. We are planning a skate competition, video, and working on knowledge building around the physics and mechanics of skating. We are working on safety and maintenance of equipment and local skate parks. We meet on Thursdays for 1.5 hours following school NDPA does not supply equipment and is not responsible of any injuries resulting in student participation. Contact Mr. Dewhirst @ cdewhirst@northdavisprep.org

IMPORTANT PARENT REMINDER:

Please, please be “On Time” to transport your student at the end of the school day or after school activity. Please do not wait for the phone call and then begin your transportation. Many of our teachers, staff and parents donate the extra time at school to further enrich your students life. Please be courteous and not abuse their personal time. They have already put in long hours on their behalf and need to get home to their own personal appointments and needs. Thank you for planning ahead to be here at the conclusion of your students activity. In doing so we hope to continue to provide opportunities for our families.
